

Special Notice

(for all BCMCA events)

- Rider are required to be able to operate the bicycle they are using for an event within the confines of one normal automobile traffic lane;
- Except where the roads have been closed to normal traffic for an event, **riders are required to navigate their bicycles to stay to the right of the center (yellow line where marked) of the road, including corners, at all times;**
- Except where road closures are approved **there is no approval, or liability insurance coverage, for riders to operate left of a public road center;**
- Organizers may use photographs of riders during an event to establish their positions at the finish and during the event.

Note 1: An event is a road race, time trial, crit, or hill climb.

Note 2: All other rules still apply.
